COMPARING GODS' REST (SABBATH) WITH MANS "GIVEN" SABBATH.

(TAKE A LOOK)

The Genesis story clearly describes the creation week shown above (top row). It also tells of two events prior to that week. Read the first two verses of the first chapter. Verse 2 shows a picture that looks like the box to the left of day number 1, and verse number 1 gives a view of what it was before verse # 2 deals with a destruction. There was a time prior to this creation. Its happened before! You could ask "How many times"? The next row connects Exodus 12 thru 16 with Genesis 1, and reveals the offset pattern of the "Lords Sabbath" with that of the Exodus "Given Sabbath". Also notice how row #2 uses the work of row #1. By this we also can see that colors have numbers. Isn't that beautiful?
